

DANIEL SHAULOV

STUDENT OF ECONOMICS & MANAGEMENT

052-7356540 • danielshaulov4@gmail.com • [GitHub](#) • [LinkedIn](#)

■ SUMMARY

Economics and Management student at the Open University of Israel seeking a Data Analyst, Business Analyst, Financial Analyst, or FP&A role. Combines formal economics and finance training with a hands-on analytics stack - SQL, Python (Pandas, NumPy), advanced Excel (PivotTables, VLOOKUP), and Power BI (DAX). Experienced across the full data analysis lifecycle: data cleaning, querying, ETL, exploratory data analysis (EDA), statistical analysis, data modeling, forecasting, and building interactive KPI dashboards, reports, and data visualizations that turn raw data into clear, decision-ready business insights. Strong in financial analysis, business intelligence (BI), data-driven decision-making, and stakeholder reporting, with a fast self-learner mindset, sharp attention to detail, and reliability under pressure. Brings analytical rigor and business acumen that convert complex data into measurable value.

■ SKILLS

Data & Analytics: Advanced Excel, SQL, Power BI & DAX, Python (Pandas, NumPy), Data Cleaning, Exploratory Data Analysis (EDA), Statistical Analysis, Forecasting, KPI Dashboards

Finance & Economics: Financial Analysis, FP&A, Business Intelligence (BI), Capital & Financial Markets, Financial Statement Analysis, Micro & Macroeconomics

Programming, Cloud & Tools: Java & Python, Docker, AWS, Git/GitHub, AI Automation & Prompt Engineering, AI Tools (Claude Code, Cursor, GPT, Copilot)

■ EXPERIENCE

Team 3 | 2023 - Present

Security & Access Control

- Managing access procedures for employees, suppliers, and visitors.
- Maintaining facility security and conducting routine inspections.
- Providing service and guidance to staff and site visitors.

"Midor Ledor" Association | 2022 - 2023

Military Prep Coordinator

- Managed preparation programs for youth, including scheduling and goal setting.
- Delivered training sessions while developing leadership skills.
- Managed multiple tasks under pressure while meeting organizational objectives.

Israel Defense Forces | 2020 - 2022

Combat Soldier - Nahal Brigade

- Operated advanced technological systems in demanding field conditions.
- Applied rapid decision-making while building self-discipline and accountability.
- Collaborated in a tight-knit team on mission-critical objectives, building resilience and delivery under pressure.

■ PROJECTS

Customer Behaviour Analysis

Analysis of 580 customers and 19 products where abandoned-cart value exceeded captured revenue. Segments customers by spend and behaviour and turns findings into targeted revenue-recovery recommendations.

Tools: Python (Pandas), SQL (SQLite), Matplotlib & Seaborn, Power BI.

MyAnalyst - AI Data Analysis App

Web app that lets anyone upload a dataset and get instant analysis in the browser. A client-side engine profiles, queries, and visualizes data, with an optional AI layer that turns plain-language questions into charts and insights.

Tools: Next.js, TypeScript, Python (analysis API), Groq LLM, Vercel.

L.A. Crime Rate Dashboard

Seven-page Power BI report on LAPD crime data (2020-2023), tracking crime by type, area, and time. Built on a custom semantic model with DAX measures that surface trends and hotspots for fast decision-making.

Tools: Power BI, DAX, Data Modeling, Power Query.

■ EDUCATION

The Open University of Israel | 2025 - Present

Economics and Management Student

Amit Gutwirth High School | 2013 - 2019

Full Matriculation Certificate - Physics & Computer Science Majors

■ LANGUAGES

Hebrew: Native • **English:** Professional Working Proficiency • **Russian:** High Proficiency
