SUMMARY

Economics and Management student targeting a Data Analyst, Business Analyst, or Financial Analyst / FP&A role. Combines formal economics and finance training with a hands-on analytics stack: SQL, Python (Pandas, NumPy), advanced Excel, and Power BI (DAX). Builds the full pipeline from data cleaning and exploratory data analysis (EDA) to forecasting and interactive KPI dashboards, turning raw data into clear, decision-ready business insights.

SKILLS

Data & Analytics: Advanced Excel (PivotTables, VLOOKUP), SQL, Power BI & DAX, Python (Pandas, NumPy), Data Cleaning, Exploratory Data Analysis (EDA), Statistical Analysis, Forecasting, ETL, Data Modeling, KPI Dashboards & Reporting

Finance & Economics: Financial Analysis, FP&A, Business Intelligence (BI), Financial Statement Analysis, Capital & Financial Markets, Micro & Macroeconomics

Programming, Cloud & Tools: Java, Python, Docker, AWS, Git/GitHub, AI Automation & Prompt Engineering (Claude Code, Cursor, GPT, Copilot)

PROJECTS

Customer Behaviour Analysis

Analyzed 580 customers and 19 products where abandoned-cart value exceeded captured revenue. Segmented customers by spend and behaviour and converted findings into targeted revenue-recovery recommendations.

Tools: Python (Pandas), SQL (SQLite), Matplotlib & Seaborn, Power BI.

MyAnalyst — AI Data Analysis App

myanalyst.net

Web app that lets anyone upload a dataset and get instant analysis in the browser. A client-side engine profiles, queries, and visualizes data, with an optional AI layer that turns plain-language questions into charts and insights.

Tools: Next.js, TypeScript, Python (analysis API), Groq LLM, Vercel.

L.A. Crime Rate Dashboard

Seven-page Power BI report on LAPD crime data (2020–2023) tracking crime by type, area, and time. Built on a custom semantic model with DAX measures that surface trends and hotspots for fast decision-making.

Tools: Power BI, DAX, Data Modeling, Power Query.

EXPERIENCE

Team 3 — Security & Access Control

2023 – Present

- Manage access procedures for employees, suppliers, and visitors.
- Maintain facility security and conduct routine inspections.
- Provide service and guidance to staff and site visitors.

“Midor Ledor” Association — Military Prep Coordinator

2022 – 2023

- Managed preparation programs for youth, including scheduling and goal setting.
- Delivered training sessions while developing leadership skills.
- Handled multiple tasks under pressure while meeting organizational objectives.

Israel Defense Forces — Combat Soldier, Nahal Brigade

2020 – 2022

- Operated advanced technological systems in demanding field conditions.
- Applied rapid decision-making while building self-discipline and accountability.
- Collaborated in a tight-knit team on mission-critical objectives, building resilience and delivery under pressure.

EDUCATION

The Open University of Israel — B.A. Economics and Management (in progress)

2025 – Present

Amit Gutwirth High School — Full Matriculation · Physics & Computer Science Majors

2013 – 2019
